We hope that the New Year has brought a positive start for your business. At Bells, we are looking forward to an exciting year ahead, including another Xero workshop and the launch of the Pure B2B Chislehurst mastermind group, as well as taking care of your finances and helping your business to grow successfully.

With the end of the month approaching fast, don't forget HMRC's end of January tax deadline!

## Bells – our 10th anniversary!

Did you know that this month marks ten years since Joanne founded Bells...during this time we have grown significantly as a business and as a team, and added two other accountancy practices to the Bells group. We are planning a big celebration in the summer; please watch this space for more information.

## Next Xero workshop

As certified Xero accounting software advisors, our next Xero workshop will be held on Tuesday 12th February from 1.30pm – 4.00pm at our Chislehurst office; 10a High Street, Chislehurst, Kent, BR7 5AN.

Facilitated by our Bookkeeping Manager Ria Moore, ACCA, this workshop is suitable for those who process their own bookkeeping on Xero, and those who are considering it as a software option.
