Pure B2B Chislehurst launch

This month also saw the launch of the Pure B2B Mastermind in Chislehurst, at the Imperial Arms. A wide range of ambitious business owners discussed issues including:

- increasing conversion rate times
- franchises & the co-operative business model
- pricing (particularly whether to display prices on business websites)
- recruitment (channels, approaches) and employee retention

Interesting perspectives, and useful learning for those attending, to take back as relevant to their own businesses.

The next Chislehurst meeting will be on 10th April, please contact Anna Young for more information and to reserve your place:
