## Business Growth Workshop – Five Ways to Grow Your Profits

The first Growth Workshop in June, led by Phil Chantry, Action Coach, was well received by those attending. The workshop is a must for all Business Owners who are serious about growing their business. The next workshop will be held on 3rd December 2019, 9.30am–12.00pm.

Are you serious about wanting to grow your profits?

Do you wish you had more time to spend on the things which are really important?

Are you ready to build a business with an amazing team?

If you have answered yes to any of the above, then this workshop is for you:

Your business may already be doing well, but you may be looking to expand your customer base, introduce a new product/service, or even open another branch/office.

You already have some good staff members in place, but your business is still struggling to reach its full potential.

You are probably working too many hours a week too, and the business would probably not be able to survive without your input.

Or maybe you enjoy putting in the hours, but feel that your time at work could be better spent than being an email slave!

If any of the above rings true, why not take a couple of hours out of your business, and focus on the important growth areas you never usually have time for.

Click here to book your place on the 3rd December Growth Workshop, or email [anna@bellaccountants.co.uk](mailto:anna@bellaccountants.co.uk) if you would like to register an interest in attending a future Growth Workshop.

## Charity Dinner: 10th October 2019

Bells are excited to be co-organising a black tie charity dinner with Bailey Ahmad Business Recovery, on behalf of Chartwell Cancer Trust's Lily Pad Appeal on Thursday 10th October 2019 from 7.00pm. We aim to raise money for The Lily Pad Appeal, to complete the refurbishment of the children's cancer wards at Croydon University Hospital.

Click here to find out what inspired us to take part in trying to raise money for this great cause:

Joanne would be delighted if you would give your support by purchasing a ticket or even a whole table with your contacts. This is a very worthy local cause; there will be welcome drinks, a sit down 3 course meal, Roy Charles, a live 'Rat Pack & Rock Swings' singer, a magician, an auction with some amazing lots, a raffle, and all drinks included until midnight, all for £85.00 per person.

This promises to be a fabulous night out; the Hallmark Hotel London (Croydon Aerodrome, Purely Way CR9 4LT) only has limited capacity, so do book early to avoid disappointment.
